

# WYOMING NONRESIDENT LICENSE PREFERENCE POINT SYSTEM

## MONTANA NONRESIDENT LICENSE PREFERENCE POINT SYSTEM

1. Applicants may purchase a PREFERENCE POINT each year for \$50
2. 25% of the licenses within each pool must go to applicants who have ZERO preference points
3. 75% of the licenses within each pool will go to applicants with the HIGHEST amount of preference points
4. Applicants may only apply in one pool or the other

<u>EARLY BIRD APPLICATION POOL</u>	<u>CONVENTIONAL LICENSE POOL</u>
40% of total licenses	60% of total licenses
NUMBER OF LICENSES	NUMBER OF LICENSES
6800 elk & deer combination licenses	10200 elk & deer combination licenses
1840 deer combination licenses	2560 deer combination licenses
APPLICATION DEADLINE	APPLICATION DEADLINE
January 1 by internet application	March 15
LICENSE ISSUED TO APPLICANT	LICENSE ISSUED TO APPLICANT
January 15	Around April 15
COST TO APPLICANT	COST TO APPLICANT
License price plus early bird application fee	License price
(Elk & deer combo -- \$912 + \$300 early bird application fee)	(Elk & deer combo - \$912)
(Deer combo -- \$542 + \$300 early bird application fee)	(Deer combo -- \$542)

**All revenue raised by the early bird application fee shall go to the Hunter Access Enhancement Fund which supports the Block Management Program – over 2 million dollars annually according to fiscal note**

Licenses remaining unsold from the Early Bird Application Pool on January 15 will be sold in the Conventional License Pool on March 15

Unsuccessful applicants from either pool may ask to be placed on the alternate list for the current year
